| **Reading**  
In reading Yr 5 are continuing to develop reading strategies. They will be starting to look and analyse at the book as a whole using the Super Six Reading strategies.  
**Writing**  
This term Year 5 are focusing on Information Reports. This will be closely linked to our HSIE (Asian Cultural Study) and Science (Natural Disasters) units.  
**Talking & Listening**  
We will be focusing on the Multicultural Public Speaking Competition. All students will present a speech in class and the 2 best will be shared with the rest of the grade. From there, 2 students will be picked to represent Crestwood at the Premier’s Public Speaking Competition. | **Number**  
Fractions and decimals. This can be a difficult concept and we are spending a few weeks developing this knowledge and understanding.  
**Patterns and Algebra**  
Students will work through a process of identifying a simple number pattern involving only one operation, completing a table of values and describing the pattern in words  
**Measurement**  
Volume and Mass  
**Space and Geometry**  
Angles - Drawing, identifying and measuring angles. |
